Thank you for your previous response on a similar request from a Journal Star reporter for information as detailed below. While the previous request was denied, I believe this more specific request is applicable under the Illinois Freedom of Information Act. Please send me the following:

1. Any information regarding internal investigations reported by or involving Kathrine Baer Burwell, including findings and actions taken by the department.
2. In the event that some internal investigations reported by or involving Burwell are subject to ongoing litigation, please provide any similar internal investigations, outcomes and actions not related to that litigation.

Thanks in advance for your help. I would prefer to receive this information electronically, if feasible, at the e-mail address listed below. Please feel free to contact me with any questions. I will follow up shortly after sending this request to make sure it was received.
